4542 E Rock Wren Rd.

Phoenix, AZ

85044

Education

Computer Information Systems, BS — December 2014

Arizona State University, Tempe, AZ

GPA 3.10

Electronics and Computer Engineering, AS — December 2005

ITT-Technical Institute, Ft. Lauderdale, FL

GPA 3.75

Experience

Manufacturing Technician, SPTD, Intel Corporation — 2011-Present

- Actively support engineering developing proprietary die embedding and substrate Lithography processes
- Support critical equipment qualification and process ramp up
- Continuously create and revise equipment maintenance and operation spec
- Actively develop and implement solutions to optimize process and equipment operation based on Lean methodologies
- Analyze and interpret data collected from DOE and other non-standard activities
- Collaborate with other supporting areas to improve current process and systems
- Lead equipment maintenance and operation training activities of new peers

Manufacturing Technician, PTD, Intel Corporation — 2006-2011

- Operated and maintained 300mm plasma etchers
- Actively participated in equipment activities
- Collaborated with the revision of equipment maintenance specs
- Coordinated floor operation and equipment activities
- Supported critical equipment qualification and process ramp up
- Collected data from DOE and other non-standard activities
- Lead equipment maintenance and operation training activities of new peers

Projects

- Designed and implemented website for real client as capstone project using WordPress, CSS3, HTML5, and SEO
- Designed and implemented alignment fixture on laminator tool reducing setup time by 30%
